

The **BRIDGETOWNER GOOD SAMS CHAPTER** was organized on June 23, 1978 by the National Good Sam Club. The Chapter is located in Lethbridge Alberta Canada and has members from Lethbridge and surrounding communities. The first meeting held at a camp out on June 23 to 25, 1978, defined the Chapter constitution and the selection of a crest and Chapter colours.

The intent of the Chapter is for friendship, camping enjoyment and promoting the values and ideals of the National Good Sam Club. From its beginnings, the Bridgetowner Good Sams Chapter has been involved in supporting charitable organizations in the Lethbridge area. As a long term volunteer supporter of the Lethbridge Meals on Wheels, the organization has recognized the Chapter for its' years of service and ongoing support. Presently, through funds raised during an annual internal Chapter auction, have been provided in support of the Lethbridge Inter Faith Food Bank and the Lethbridge Therapeutic Riding Association which provides horse riding experience for handicapped children and adults in our community.

Get-togethers are held every month, campouts are held from May to September with monthly meetings held from October to April. Campouts are held on week days at camping location throughout the south west / central parts of Alberta. The Chapter is also a member of the Alberta Provincial Good Sam Club and has had members serve as officers in the Provincial organization. At all get-togethers, the members enjoy activities, good food and visits. The Chapter has an elected executive who serve for a term of two years. All members participate in planning activities and some members are asked to head committees as the need requires.

Anyone interested in becoming part of the Bridgetowner Good Sams or attending one of our activities is asked to call Lorne & Virginia Smith Chapter President at 403-329-8176.
