

Dino Trail-ers

Good Sam Chapter
Brooks and Area

Because of the desire to experience fun and fellowship with other people who enjoy the RV lifestyle, our chapter was formed. We commenced with informal gatherings until a nucleus group emerged. Our chapter was formed with 28 charter members and the formal charter was granted in June, 2012. Our membership has more than doubled in the last 4 years and we enjoy campouts in our area, social gatherings, monthly breakfasts in the winter, community service and attending Rallies.
