

PARKLAND JAYS

A CHAPTER OF THE GOOD SAM CLUB

The Parkland Jays RV Club was established on October 20, 1997 and is still going strong today. To date we have 42 rigs in our club with a total of 73 members. Our main function is doing what we love best...*camping*. Through our campouts many memories and lasting friendships have developed.

We are an active club with various activities throughout the year. A typical camping weekend consists of games, golf, and potluck dinners, touring local attractions and shopping. We also encourage our members to contribute to the community, for example, by visiting the local Farmers Markets or donating a food item to the food bank. In the evenings, weather permitting, there is usually a campfire with music, singalongs and sharing stories till after dark.

Our camping season usually begins on the May long weekend and ends after Labour Day in September. Campouts are arranged by the Wagonmaster who provides a list of all campouts for the season. Members are free to pick and choose campouts as their schedule allows. There are generally around 10 campouts per year to choose from and often weekend campouts are shared with other clubs and/or special guests.

Our club meetings are usually held after the camping season ends. At this time we will elect a new Executive and catch up on business matters. Meetings are combined with a social time and always a lunch.

The annual Christmas party, a catered affair usually is held in late November or early December.

We would love to welcome you to our club as a new member or come as our invited guest. It's a great way to make friends and have fun...
