*Good Sam Chapter  
Brooks and Area*

Because of the desire to experience fun and fellowship with other people who enjoy the RV lifestyle, our chapter was formed. We commenced with informal gatherings until a nucleus group emerged. Our chapter was formed with 28 charter members (14 rigs) and the formal charter was granted in June, 2012. Our membership is currently at 28 rigs, and 2 new prospects, and we enjoy camping in our area, social gatherings, monthly breakfasts in the winter, community service and attending Rallies.
