

BEAN BAG TOSS

BOARDS: 2 feet by 4 feet with a hole 6 inches in diameter, on centre 1 foot from the top. One game requires two boards.

BAGS: Two sets of bags – four to each set – 4 light colored and 4 dark colored. Each bag should measure 6 inches square and weigh between 12 and 16 ounces.

DISTANCE: The distance apart should be a measured 20 feet from the centre of one hole to the centre of the other hole.

SCORE SHEETS: Up to eight ends – cross out ones not needed.

UMPIRES: One umpire is required for each set of boards.

SCOREKEEPER: One scorekeeper for each set of boards. The scorekeeper should initial each of their score sheets.

GENERAL INFORMATION:

- ε Teams should be decided by choosing one female and one male. This is one team. No spouses allowed on the same team. One player from each team stands at each end.
- ε Play starts with a coin toss. Players throw one bag at a time, alternating teams.
- ε All bags legally coming to rest on the playing surface or going down the hole will be counted.
- ε One point per bag on the board; three points per bag down the hole. There is no cancellation of points.
- ε Winning team scores 4 bonus points; in case of a tie, 2 points are awarded to each team.
- ε Highest aggregate points after three games wins the contest, and the winning team moves to the next board.
- ε Bags hitting the floor first and coming to rest on the board are removed by the umpire.
- ε Bags on the board but touching the floor are removed.
